June 2019

Dear Bengal Family,

This mailing contains important materials regarding the online registration process. The online registration process will open on July 1, 2019. You should complete the process before July 31, 2019 in order to receive your student's schedule and other information electronically on August 6, 2019. You will begin the process on July 1 by visiting the Oak Forest High School website, go to the "for parents tab", and click on "registering a student". Once you click on that link, it will take you to the online registration form and you will be prompted to enter the snapcode provided on the other letter in this mailing. For upperclassmen, you will log in with the account you've created previously. If you do not remember your log in credentials, please contact the Infosnap support line at (866) 752-6850. Freshman parents will need to create a new account. Please follow all of the prompts to complete the registration process.

Computers will be available at the school on select days for families if they need to complete the registration process. The computers will be available from 9 A.M. to 12 P.M. and again from 1 P.M. to 3 P.M. on the following days:

7/9, 7/11, 7/16, 7/18, 7/23, 7/25, 7/29

The Freshman Physical Form is posted in the online process. You will need to print the form and take it to your physician when completing the physicals. Freshman physicals that are complete should be turned in to Oak Forest High School by July 18, 2019. The freshman physical is a state requirement and turning in the form by July 18, 2019 will help to prevent delays in the registration process. Please note that fall sports begin on August 12, 2019 and any student participating in a sport must have a physical submitted to be eligible to participate in the fall sports season. Returning 10th, 11th, and 12th grade students only need to complete a sports physical as part of the athletic clearance process.

August 6 - Student schedules and information will become available to view and access online at 12 P.M. if all materials and payments have been submitted. Information regarding access to the PowerSchool portal is contained in this mailing. Schedules and other information will be available online and neither students nor parents will need to come to school to pick up schedules if all materials have been submitted and payments are complete.

August 6 – Student parking forms can be turned in to the Deans' Office beginning at 8 A.M. Print the form, bring payment, and necessary materials listed on form. Please note that parking is only for seniors during the 19-20 school year due to construction.

August 13 – Late Registration from 2 P.M. until 6 P.M.
