If you need to visit the school building, you will need to set an appointment with the staff members listed above. Appointments will allow staff to prevent crowding within an office area while working with parents or students. When you visiting the building you will be required to wear a mask and you will need to proceed to the main office. At the main office, you will need to fill out a Covid 19 Health Certification form. Appointments will be taken between 8 am and 3 pm during July. There are no office hours on Friday during the summer. Thank you for your cooperation on this matter...stay safe...and Go Bengals.
